Payment is expected at the time services are rendered. All charges must be paid in full prior to discharge.

We accept cash, American Express, Discover, MasterCard, VISA, and debit cards. There is a \$25.00 returned check fee & collection will be actively pursued.

Fees are structured to support the most progressive, quality veterinary services possible. We encourage you to ask our receptionists about the cost of general services as well as to review & discuss with your doctor the estimate for your pet's treatment plan, so that you have time to make any necessary arrangements.

WPVH is committed to providing comprehensive, excellent veterinary services for your pet. We understand, at times, it may be necessary to discuss alternate forms of treatment. We are happy to help you explore these alternatives in order to arrive at the best plan for your family & pet.

A deposit of 50% of maximum estimated total for surgery, dental, extensive treatment, hospitalization and/or 1st time boarding is required at the time your pet is admitted. Please keep your copy of estimates. Remaining balance is due prior to discharge. Estimates are honored for 30 days.

Fee estimates are approximations of expected medical costs & can vary significantly. We will attempt to contact you regarding significant change in treatment/fees as they occur. It is essential you leave us with phone numbers where you can be contacted quickly.

We strongly suggest you ask daily about current charges during your pet's hospitalization in that they can change, & at times, increase significantly, based on the medical status of your pet. This is especially important prior to your pet's discharge appointment so that you can have any questions you might have answered.

We are happy to reschedule your pet's appointment/dental/surgery with a minimum of a 24-hour notice. Without this notice, it is necessary to charge a cancellation fee of \$30 to \$50, since doctor & technician time & specific surgical equipment are reserved exclusively for your pet. This also applies to boarding reservations.
